AEU congratulates the Rudd Government on its investment in school infrastructure

The Australian Education Union today congratulated the Rudd Government on its investment in school infrastructure.

“In addition to providing an important economic stimulus, today’s announcement is the most important infrastructure investment the Government can make.

“This investment will provide the opportunity for our schools to engage in urgent upgrades and to develop modern learning environments, which will improve education outcomes for our students,” AEU Federal President, Angelo Gavrielatos said.
