

**OUR RIGHTS ARE  
NOT  
FOR SALE**

## **HOWARD'S ULTIMATUM:**

**HOWARD SAYS: DO AS I SAY, OR LOSE YOUR FUNDING.  
WE SAY: OUR RIGHTS ARE NOT FOR SALE!**

The Howard Government's new "Skilling Australia's Workforce" Bill gives all TAFE colleges in Australia a grim choice; **either** offer individual employment contracts, performance management and more management authority, user choice and privatisation **or** LOSE UP TO 30% IN FUNDING.

The AEU says: "Our Rights Are Not For Sale!" The quality of our education and training should not be sacrificed in a political offensive. We join with university staff in saying "no" to this assault on our employment conditions and our rights as workers and support protest rallies and other actions, to be held in all major centres on 1 June.

We will make every TAFE college an AWA-free zone, and call on our state and territory Labor Ministers to do the same.

**DEMONSTRATE  
YOUR OPPOSITION  
TO THIS ATTACK ON  
OUR EMPLOYMENT  
& TRAINING  
STANDARDS.**
