Irregularities

Details of written allegations of irregularities,
and action taken by AEC: NIL

Other irregularities identified, and action taken:

ACT/TAS/NT Branches Federal Conference Delegate TAFE Division:

This is a combined position across three branches of the AEU and all three have their own branch rules. Whilst there are some common rules there are also some significant differences. To enable this election to be conducted without risk of irregularity action was taken under s193 (1)(b)(ii) to remedy procedural defects.

Other Matters

Returning Officer actions required (Section 193): Yes
Details:

ACT/TAS/NT Branches Federal Conference Delegate TAFE Division:

The Returning Officer is of the view that the organisation's rules do not have election provisions for this position or any position that is combined with other branches. It is strongly recommended that the AEU Federal Rules incorporates an Election rule specifically for a position that is across more than one branch.
