

**DEAR PM,  
PLEASE  
FUND EARLY  
CHILDHOOD  
EDUCATION**

**PRESCHOOL  
FUNDING  
NOW!**

Dear Prime Minister,

**Hundreds of thousands of Australian children and their families are counting on you to deliver ongoing funding for Universal Access to Early Childhood Education for all four year olds.**

Preschool education is the right of every child and sets the foundation for cognitive, physical, emotional, social and language development which benefits a child's learning potential for the rest of their life.

However, Commonwealth preschool funding is only budgeted until the end of 2020 which creates great uncertainty for parents and staff.

I call on the Australian Government to commit to ongoing funding to ensure all four year olds have access to a quality preschool program in the year before full time school.
